Mr. A. J. Harmons
442 East Washington Street
Greensboro, North Carolina

Dear Sir:

I am enclosing the wire I received from you this morning. It is really not a bit clear, but I do judge from it that we cannot have May 2nd in Greensboro.

Please send me as soon as possible all available dates in Greensboro so I can plan the one that fits in with my schedule.

Please arrange for the rooms for the EAGLES for Tuesday night.

Very truly yours,

EFFA MANLEY
